

improvement of our proposed model by considering QoS

Another possible modification of the proposed algorithm can be considering realistic environment.

Authors Profiles:

T. Rajesh (1980) has persuaded his Master Of Computer Applications from Andhra University campus in 2005 and Master of Technology (CSE) from Acharya Nagajuna University in 2010. At present working with Malineni Lakshmaiah Engineering College as Assoc. Professor in department of MCA & CSE.

Mulaka Madhava Reddy (1980) has persuaded his Master Of Computer Applications from JNTU in 2007 and Master of Technology (CSE) from Acharya Nagajuna University in 2010. At present working with Malineni Lakshmaiah Engineering College as Asst. Professor in department of MCA & CSE.

T. Kishore Babu (1983) has persuaded his Diploma in Mechanical Engineering from SBTET in 2001, B.Tech (IT) from JNTU in 2006 and Master of Technology (CSE) from JNTUH in 2009. At present working with Malineni Lakshmaiah Engineering College as Assoc. Professor in department of IT & CSE.
