Venkata kishore.K was born in 1987 at guntur district of andhra pradesh state, India. He Graduated in Electronics and Communication Engineering from TPIST, JNTU, Hyderabad. Presently he is pursuing his M.Tech –Communication and Radar systems in KL University. His interested areas are Wind profiling Radars, RF and Microwave Engineering, Antennas.

Author Biography:

B.T.P. Madhav was born in India, A.P, in 1981. He received the B.Sc, M.Sc, MBA, M.Tech degrees from Nagarjuna University, A.P, India in 2001, 2003, 2007, and 2009 respectively. From 2003-2007 he worked as lecturer and from 2007 to till date he is working as Assistant Professor in Electronics Engineering. He has published more than 70 papers in International and National journals. His research interests include antennas, liquid crystals applications and wireless communications.
